THE RESIDENCE

Alex

Occupying the top two floors of a distinguished residence in Zermatt, Apartment Alex is a singular penthouse duplex of 480 square metres, conceived for discerning groups of up to twelve. Six generously proportioned twin and double bedrooms, each appointed with an en-suite bathroom featuring both a separate bath and a power shower, are arranged across the principal sleeping floor, every room opening onto its own private balcony. The two master bedrooms command wholly uninterrupted views of the iconic Matterhorn, a prospect that renders each morning quite unforgettable.

A private lift connects the sleeping quarters to the upper living and dining floors, where sumptuous sofas gather around large stone fireplaces and an abundance of natural light fills every corner. Younger guests are welcomed into dedicated entertainment rooms equipped with Apple TV, while adults may withdraw to enjoy afternoon tea in serene comfort. The finest materials and furnishings have been selected throughout, lending the apartment a quality that is at once refined and effortlessly warm.

Residents of Apartment Alex enjoy shared access to the spa facilities on the lower ground floor, encompassing an indoor swimming pool, sauna, hammam and massage room. The Klein Matterhorn lift station lies a short electric taxi ride away, or a leisurely ten-minute walk, while the vibrant heart of Zermatt is a scenic fifteen-minute stroll or a brief ride by electric taxi. Apartment Alex is available on an accommodation-only, self-catered, bed and breakfast or fully catered basis, with prices from CHF 9,850.
