## THE RESIDENCE

## Chalet Les Etrennes

Chalet Les Étrennes is a magnificent six-bedroom, four-storey residence in Verbier, completed following an extensive renovation and expansion in the summer of 2017. Positioned on the south-west-facing Savoleyres side of the resort, the chalet commands sublime views encompassing the village below, the pistes of Verbier and the imposing Mont Blanc massif. Every element of the interior has been thoughtfully curated, with the level of craftsmanship and finish throughout standing as a genuine testament to the art of alpine luxury. The chalet accommodates twelve guests and is equally suited to discerning families and gatherings of close friends seeking a truly exceptional mountain retreat.

Across its four floors, the chalet unfolds with gracious generosity of space and a refined aesthetic sensibility. The master bedroom suite on the second floor offers a serene palette of creams and blues, a generous dressing area, an en-suite bathroom with separate shower, and French windows opening directly onto a large terrace where a sunken outdoor hot tub awaits. Three further en-suite double bedrooms on the same floor each carry their own considered colour scheme, with doors leading to the south-west-facing sun-drenched terrace. Two tranquil twin and double bedrooms on the first floor are complemented by the restorative warmth of a hammam, the perfect retreat after a day on the mountain.

The uppermost living floor reveals the full splendour of the chalet's design, with a double-height vaulted ceiling and vast windows flooding the room with winter light and framing breathtaking panoramic views. Accents of burnt orange and cool blue animate carefully selected furnishings, while a roaring fireplace and a quiet reading corner invite unhurried relaxation. The open-plan kitchen and dining room shares this elevated perspective and the same soaring ceiling, masterfully blending sleek contemporary finishes with natural materials. A cosy television room, a library and a mezzanine reading space complete this floor, and large sliding doors open onto a terrace overlooking the landscaped gardens and a second outdoor hot tub. The chalet is available on a catered or self-catered basis, with pricing from CHF 21,730 to CHF 49,220 per week.
