THE RESIDENCE

Chalet Aconcagua

Proudly positioned in the heart of Zermatt, Chalet Aconcagua commands breathtaking southwest-facing views of the iconic Matterhorn from its 550 square metres of impeccably appointed alpine residence. One of seven exceptional chalets within the exclusive 7 Heavens development, this magnificent four-floor retreat accommodates ten guests plus two in five beautifully conceived bedrooms, each finished to the very highest standard. Authentic Alpine timbers and woods have been harmonised with plush, considered furnishings, while ultra-modern design flows seamlessly alongside traditional craftsmanship, creating a warm and deeply refined atmosphere in which to savour the pleasures of mountain life.

Arranged across four generous floors and served by a private lift, the chalet rewards its guests at every level. The top floor opens onto a sweeping open-plan living and dining area with a fully equipped kitchen, a private spa featuring a large indoor sunken hot tub and a hammam, and a balcony from which the Matterhorn appears in its most dramatic aspect. The second floor is home to two southwest-facing master suites, one with a dressing room and en-suite bathroom and the other with an en-suite shower room, alongside a dedicated television and games room. The first floor presents a further double bedroom with dressing room, en-suite bathroom and balcony, a twin or double bedroom with en-suite shower room and balcony, and a quad bunk room with its own en-suite shower room, ideal for younger guests.

At ground level, a private ski room with heated boot warmers ensures an effortless departure to the slopes, whilst the Sunnegga funicular, a short stroll from the chalet, delivers guests directly to the ski terrain within minutes. Guests of the 7 Heavens development also enjoy access to a state-of-the-art shared gymnasium, a welcoming communal entrance lounge and bar, and a professional kitchen servicing the property. The village's finest shopping, dining and the main railway station are all in immediate proximity, placing every pleasure of this world-renowned resort within effortless reach.
