THE RESIDENCE

Le Daray Penthouse

Positioned with exceptional convenience in Verbier, Le Daray Penthouse offers effortless access to both the renowned ski area and the vibrant town centre, with Le Rouge piste just a two-minute walk from the door. This masterpiece of contemporary alpine living accommodates up to nine guests across four beautifully appointed bedrooms, each furnished to the highest standard and equipped with a television, while the two principal bedrooms open directly onto the wraparound balcony through elegant French windows. A private ski locker with heated boot warmers, two underground parking spaces, a dedicated elevator, and private laundry facilities ensure every practical comfort is addressed with quiet discretion.

The heart of the penthouse is its generous open-plan living and dining area, where floor-to-ceiling French windows flood the space with natural light and frame uninterrupted panoramic views of the surrounding peaks. Sumptuous sofas and armchairs gather around a traditional fireplace, sensitive lighting and beautiful fabrics lend warmth to evening entertaining, and a substantial dining table seats ten guests in relaxed elegance. The well-appointed kitchen may be opened entirely to the living and dining space or enclosed behind wooden shutters when greater privacy is preferred, offering a versatility rarely found at altitude.

The four bedrooms comprise a master twin or double room with a large en-suite bathroom, a further twin or double room with its own en-suite bathroom, a twin room with an en-suite shower room, and a triple room served by a private shower room, with an additional children's television room and guest bathroom on the upper floor. Every bathroom has been finished to an impeccable standard, dressed with fluffy towels, robes, slippers, and luxury amenities ready for arrival. A dedicated concierge service, daily housekeeping, and an array of additional services available on request complete this refined mountain retreat.
