## THE RESIDENCE

# Ivouette

Positioned just a moment's walk from the Rue de Médran and Verbier's principal lift station, Ivouette is a beautifully appointed duplex apartment that places ten guests at the very centre of one of the Alps' most celebrated resorts. Alpine-inspired furnishings of the highest quality set the tone throughout, while floor-to-ceiling windows on both floors invite the southern sun deep into the interior and frame a sweeping panorama that stretches across snow-capped rooftops to the distant Mont Blanc Massif. In the spring months, guests may take an aperitif in the private garden on the ground floor, or settle into fur-lined chairs on the first-floor terrace as the mountains glow in the late afternoon light.

The apartment unfolds across two generous floors, offering five bedrooms, each with its own en-suite bathroom or shower room, and a thoughtful variety of twin and double configurations to suit families and groups of friends alike. On the ground floor, four bedrooms are complemented by a cosy snug, ideal for quiet evenings with a good book, and two rooms enjoy French windows opening directly onto the garden. The first floor reveals an elegant open-plan kitchen, dining and living area centred on a large open fireplace, with two distinct seating areas and a bar that gracefully divides the kitchen from the dining space. The master bedroom on this floor benefits from its own en-suite bathroom and direct access to the terrace, while a private sauna provides the perfect restorative retreat after a day on the pistes.

A shared ski room with individual lockers on the lower floors ensures effortless arrivals and departures, and a private internal parking space adds a further layer of convenience. Ivouette is offered on a self-catered basis, and the dedicated concierge service, available from before arrival and throughout the stay, attends to every detail from lift pass delivery to restaurant reservations, private ski instruction and beyond.
