THE RESIDENCE

Chalet Mckinley

Chalet McKinley occupies a supremely privileged position at the very heart of Zermatt, forming one of seven exceptional residences within the celebrated 7 Heavens development, widely regarded as one of the most prestigious private chalet projects in the Alps. Spanning 692 square metres across four immaculately appointed floors, and accommodating up to ten guests, this masterpiece of contemporary alpine architecture commands magnificent views of the iconic Matterhorn, whilst placing the village's finest boutiques, restaurants and the main railway station mere moments from the door. The Sunnegga funicular is a one-minute walk away, whisking guests to the ski slopes in under three minutes.

The interior is a refined harmony of sophisticated design and warmly alpine character. The upper top floor crowns the residence with an open-plan living and dining area of exceptional elegance, where floor-to-ceiling windows frame sweeping panoramas of the village and surrounding peaks, a wood-burning fireplace anchors the sitting room, and generous balcony terraces invite unhurried aperitifs at dusk. Five beautifully proportioned double bedrooms, including two grand master suites on the second floor, each offer en-suite shower rooms and private balconies, whilst a dedicated TV and games room provides convivial evening entertainment. A professional kitchen on the ground floor ensures absolute privacy for chef-prepared dining, and a ski room with heated boot warmers completes the practical luxuries on arrival.

Wellness sits at the soul of Chalet McKinley. Nestled between the first and second floors, the private spa is a sensitively lit sanctuary offering a large indoor hot tub, hammam, sauna and plunge pool, alongside a serene seating area perfectly suited to quiet reflection. A dedicated massage treatment room on the second floor, with private massages arranged by your personal chalet manager, ensures restorative care throughout your stay. A fully equipped gym, shared between the seven residences and positioned at the heart of the development, completes an offering of rare breadth and refinement, ensuring every moment at Chalet McKinley is one of effortless, elevated mountain living.
