## THE RESIDENCE

# Agate

Agate is an exceptionally refined ski-in apartment set within Verbier's coveted Place Blanche, offering eight guests a seamless fusion of alpine character and contemporary luxury across two elegantly appointed floors. Beautifully considered interiors, with sumptuous furnishings, sensitive lighting and carefully chosen fixtures, create an atmosphere of cultivated sophistication in the heart of one of the Alps' most sought-after resorts. A private ski room with heated boot warmers and ample equipment storage ensures arrivals from the piste are effortlessly smooth, while an internal lift connects the entrance level to the upper floor with quiet ease.

The four bedrooms, each appointed in an alpine-inspired aesthetic that harmonises traditional warmth with plush modern comfort, all benefit from their own en-suite facilities. The master bedroom is a particular highlight, commanding its own private terrace, a fireplace and an en-suite bathroom with a separate shower, framing magnificent mountain views in tranquil privacy. On the lower level, the open-plan kitchen, dining and living space is the natural heart of the apartment, centred on a generous dining table seating ten, a wood-burning fireplace flanked by fur-adorned armchairs and a deep sofa, and floor-to-ceiling sliding doors that open onto a spacious south-facing terrace overlooking the piste and the peaks beyond.

A private cave houses a sauna and shower, offering a restorative retreat after a day on the mountain, while two underground parking spaces provide a further layer of convenience. The Médran lift station is a single minute's walk from the door, making Agate an ideal choice for families and groups of passionate skiers alike. Available for both weekly and seasonal rental on a self-catered or accommodation-only basis, this is a rare opportunity to claim a truly privileged address in Verbier for the season.
