## THE RESIDENCE

## Christiania Apartment 3

Christiania Apartment 3 is a refined contemporary residence set within one of Zermatt's most exclusive buildings, positioned just a short stroll from the village centre and a mere 500 metres from the Matterhorn Glacier Paradise, offering guests effortless access to the main ski area. Spanning 136 square metres across a single elegant floor, the apartment accommodates up to six guests across three spacious bedrooms, each appointed with a flat-screen television, a desk and a safe, and each configurable as a double or twin. One bedroom opens through French windows onto a private terrace, while the remaining two share a generously proportioned bathroom with separate shower, and the third enjoys its own private bathroom across the hallway.

The heart of the apartment is a light-filled living area where floor-to-ceiling glass doors draw the eye southward to an uninterrupted panorama of the iconic Matterhorn. A wood-burning fireplace anchors the sitting room, creating an atmosphere of warmth and quiet refinement after a day on the mountain. The fully equipped kitchen serves a dining table that seats eight comfortably, and a dedicated private laundry room with washer and dryer adds a considered practicality seldom found at this level. Connectivity and entertainment are assured throughout via Wi-Fi and a flat-screen television in the living space.

As a guest within the Christiania residence, access to a well-equipped gymnasium and a dedicated massage treatment room are included, bringing a discreet wellness dimension to the stay. Individual ski lockers are provided on the ground floor. The apartment may be taken fully catered, on a bed and breakfast basis, self-catered with daily housekeeping, or on an accommodation-only arrangement, ensuring the experience is tailored precisely to each guest's wishes.
