THE RESIDENCE

Christiania Apartment 4

Nestled within one of Zermatt's most prestigious private residences, Christiania Apartment 4 presents a genuinely rare opportunity to experience the village at its most refined. Positioned just a short stroll from the centre and a mere 500 metres from the Matterhorn Glacier Paradise, this impeccably appointed 86-square-metre apartment offers two guests an address that is as convenient as it is coveted, with direct access to the main ski area moments from the door.

Set entirely on a single floor, the apartment unfolds with an easy, unhurried elegance. The generous bedroom suite encompasses a dedicated dressing area, an en-suite bathroom, a safe and a flat-screen television, and opens directly onto a sun-drenched south-facing terrace commanding views of the magnificent Matterhorn. The bedroom may be configured as a double or twin to suit individual preference. Floor-to-ceiling glass doors draw natural light deep into the living area, where a large, comfortable sofa and stylish seating invite quiet evenings after a day on the mountain. The fully equipped kitchen and dining table for two complete the picture, while a large private laundry room with both washer and dryer ensures every practical need is effortlessly met. Wi-Fi is provided throughout.

As a guest of the Christiania residence, one enjoys shared access to a well-equipped gymnasium furnished with the latest technology, as well as a dedicated massage treatment room for moments of deeper restoration. A communal ski room occupies the ground floor, keeping equipment stored with care. The apartment is available on an accommodation only, self-catered with daily housekeeping, or bed and breakfast basis, each accompanied by a dedicated concierge service to attend to every detail of your alpine sojourn.
