## THE RESIDENCE

## Christiania Apartment 5

Apartment 5 within the prestigious Christiania Residence is a beautifully appointed two-bedroom retreat spanning 120 square metres, positioned just moments from the heart of Zermatt and a mere 500 metres from the Matterhorn Glacier Paradise cable car. Arranged across a single elegant floor, the apartment accommodates four guests in supreme comfort, with both bedrooms offering private terraces, flat-screen televisions, writing desks and safes, and each enjoying its own bathroom facilities. The flexibility to configure each room as a twin or double makes this an ideal sanctuary for a small family or a pair of discerning couples.

The living spaces are suffused with natural light, floor-to-ceiling glass doors drawing the eye directly to the iconic Matterhorn beyond the south-facing terrace. A wood-burning fireplace anchors the sitting area, providing a wonderfully convivial setting after a day on the mountain, whilst the fully equipped kitchen and a dining table for four make private dining an equally appealing prospect. A generously proportioned private laundry room with washer and dryer adds a welcome note of practicality, and WiFi access ensures seamless connectivity throughout.

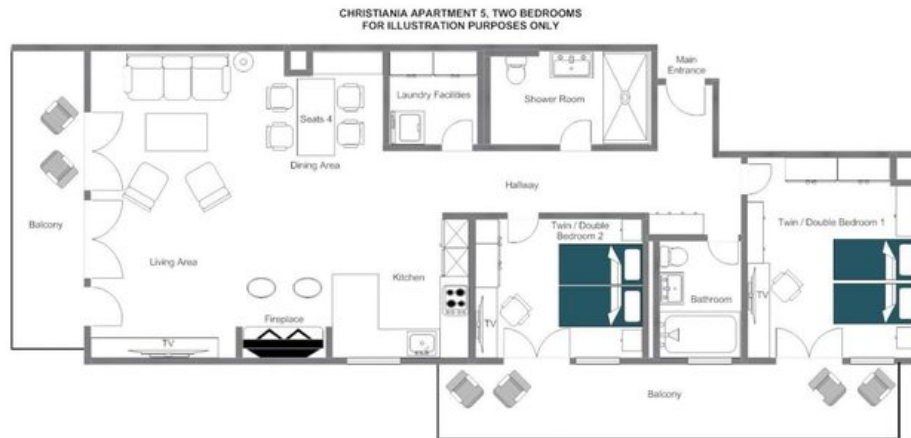

As a resident of the Christiania building, guests enjoy shared access to a well-equipped gymnasium and a dedicated massage treatment room, bringing a considered sense of wellness to the alpine experience. The apartment is available across four service levels, from full catering to accommodation only, with the fully catered option delivering the services of a house chef working from the professional kitchen on the lower ground floor, accompanied by a dedicated host attending personally within the apartment.
