THE RESIDENCE

Christiania Apartment 7

Christiania Apartment 7 occupies a commanding position within the prestigious Christiania Residence in the heart of Zermatt, just a short stroll from the village centre and a mere 500 metres from the Matterhorn Glacier Paradise, affording direct access to the main ski area. Originally conceived as two separate three-bedroom apartments, the spaces have been masterfully united to form a single, exceptionally generous residence of 340 square metres, set entirely on one floor and comfortably accommodating twelve guests across six spacious bedrooms. Four of the bedrooms open onto private terraces with spectacular mountain views, and each room is appointed with a flat-screen television, a writing desk and a safe, with the flexibility to be configured as a double or twin to suit families and groups alike. Four bedrooms benefit from en-suite bathrooms, while the remaining two share a dedicated bathroom, complemented by an additional bathroom across the hallway.

The apartment's two open-plan living and dining areas are separated by generous, sociable spaces yet united by a sense of effortless elegance. Floor-to-ceiling sliding doors in both rooms draw the eye outward onto lovely balconies, with the principal terrace framing an uninterrupted view of the magnificent Matterhorn. On each side of the apartment, a wood-burning fireplace anchors a sitting area of comfortable sofas and stylish seating, an ideal setting in which to unwind with a glass of champagne after a day on the mountain. A large private laundry room with washer and dryer, wireless internet throughout, and a generous ski room on the ground floor of the building complete the practical appointments, while residents also enjoy shared access to the residence's fully equipped gymnasium and dedicated massage room.

Christiania Apartment 7 is available across four distinct service levels, from fully catered, where a professional chef operates from the kitchen on the lower ground floor and a dedicated host serves meals in the privacy of the apartment, to bed and breakfast, self-catered with daily housekeeping, or accommodation only. Whichever arrangement is chosen, guests benefit from a concierge service prior to arrival and a residence concierge on hand each day, ensuring that every detail of a Zermatt stay, from lift passes and ski instruction to in-chalet massage and bespoke experiences, is arranged with quiet, unhurried precision.
