THE RESIDENCE

Nidus Penthouse

Crowning the prestigious Nidus building in the heart of Lech, this exceptional penthouse apartment of 211 square metres represents one of the resort's most sought-after addresses. Designed and furnished by a leading interior specialist, the residence weaves traditional Alpine timbers, sumptuous fabrics and carefully chosen furnishings into an atmosphere of effortless refinement. Accommodation for up to ten guests is arranged across five beautifully appointed bedrooms, including a master suite complete with a private dressing area, en-suite bathroom, separate shower and personal sauna, two further twin or double bedrooms sharing a well-appointed shower room, and a charming bunk room ideal for younger guests. The lift opens directly into the apartment, and a generous hallway with dedicated winter storage ensures arrivals are as seamless as the stay itself.

The heart of the penthouse is a magnificent open-plan living and dining space, where polished oak flooring and double-height ceilings create an immediate sense of occasion. Generous French windows draw the eye outward to a private terrace commanding views towards spectacular mountain peaks and the quaint village of Lech below. Within, a decorative fireplace and considered lighting lend warmth to the living area, furnished with large sofas and elegant seating alongside a flat-screen television with Apple TV. The dining area seats ten with ease, whilst groups occupying two apartments in combination may gather twenty guests at table, making the Nidus Penthouse equally suited to intimate family sojourns and larger celebrations alike.

Guests benefit from access to a shared ski room with boot warmers, as well as an underground parking space available upon request for those arriving by car. When taken on a fully catered basis, a driving service operates from 8.30 in the morning until 1.00 in the early hours, and culinary preparations take place in a dedicated professional kitchen on the lower floor before being served with quiet precision in the apartment itself. The Nidus Penthouse is available on a catered, bed and breakfast, self-catered or accommodation-only basis, with prices ranging from EUR 4,110 to EUR 68,940 and a security deposit of EUR 5,000.
