THE RESIDENCE

Haus Leytron

Nestled within the exclusive Petit Village quarter of Zermatt, Haus Leytron is a beautifully refurbished duplex apartment of 270 square metres, designed to accommodate up to eight guests plus two children in an atmosphere of considered alpine elegance. Reached by a 24-hour funicular or a three-minute electric taxi from the village centre, the apartment occupies one of the resort's most prestigious addresses, with floor-to-ceiling windows framing uninterrupted views across the rooftops to the iconic Matterhorn beyond.

The ground floor unfolds around a generously proportioned open-plan living area, where a double-height sitting room, anchored by a large stone fireplace and a grand piano, invites lingering conversation and quiet evenings in equal measure. Sumptuous sofas dressed in rich textiles, abundant natural light and a fully equipped kitchen with dining area opening onto a mountain-view terrace complete this sociable space, while a charming bunk room with four bunks and its own shower room and WC provides a playful retreat for younger guests. A sweeping wooden staircase rises to the upper level, where a hallway desk overlooks the sitting room below and three further bedrooms, each with balconies and floor-to-ceiling windows, offer breathtaking alpine panoramas. The master suite features a spacious en-suite bathroom with separate shower and a private balcony, while the two remaining bedrooms, each appointed with double or twin beds, are served by their own en-suite facilities.

Separate to the apartment yet private to its guests, a dedicated indoor spa area houses both a hot tub and a sauna, providing the perfect restorative sanctuary after a day on the mountain. With the Sunnegga lift station reachable within twelve minutes on foot or three minutes by taxi, Haus Leytron positions its guests at the very heart of the Zermatt ski experience, wrapped in the warmth and discretion that define true alpine luxury.
