THE RESIDENCE

Fleur de Lin

Fleur de Lin occupies the first floor of a beautifully appointed building in one of Verbier's most coveted positions, set less than a five-minute walk from both Médran and Place Centrale. Accommodation for up to eight guests across four generously proportioned bedrooms makes this an exceptional choice for families seeking to immerse themselves fully in resort life, while a single designated underground parking space in the shared garage ensures seamless arrivals and departures.

The open-plan living, dining and kitchen area forms the heart of the apartment, where aged wooden beams and pale wood flooring meet contemporary furnishings and soft textile accents in shades of green, creating a mood that is at once refined and warmly inviting. A sleek, well-equipped kitchen overlooks a dining table that seats up to ten, and a wood-burning fireplace lends the room an intimate, cosy character as snowflakes settle beyond the large windows and glass sliding doors that flood the space with southern light. Steps outside reveal a covered balcony with a generous L-shaped sofa from which to savour sweeping views across the Petit Combin and Mont Rognieux.

Each of the four bedrooms has been individually conceived with its own considered colour palette to foster tranquillity and repose. The master bedroom benefits from a private en-suite bathroom and direct balcony access, one further double enjoys its own en-suite bathroom, a second double is served by a private shower room, and a charming bunk room, ideal for younger guests, features an en-suite shower room alongside its own balcony access. After exhilarating days on the mountain, a private sauna with separate shower awaits, complemented by in-apartment laundry facilities for effortless, extended stays.
