THE RESIDENCE

Brunnenhof 12

Brunnenhof 12 is a beautifully conceived third-floor apartment set within one of Lech's most celebrated recent developments, the fully renovated Brunnenhof Residence. Spanning 97 square metres across a single, generously proportioned floor, this three-bedroom retreat accommodates six guests in effortless comfort. The recently completed renovation has transformed this six-storey building into a collection of fourteen refined apartments, and Brunnenhof 12 stands among the most accomplished of them, finished with contemporary fixtures, a natural colour palette and sumptuous fabrics that together create an atmosphere of understated Alpine elegance.

The wonderfully bright open-plan living and dining area forms the heart of the apartment, its cosy open fireplace, neutral hues and moss-green accents lending a tranquil warmth to every gathering. The dining area seats six beneath atmospheric lighting, while the well-equipped modern kitchen is equal to the most considered dinner party. Each of the three twin or double bedrooms is appointed to the same exemplary standard, with the principal bedroom offering an en-suite bathroom with separate shower and access to the balcony shared with the living area, while the remaining two bedrooms each feature en-suite shower rooms and their own balcony overlooking the slopes beyond.

Residents of Brunnenhof 12 enjoy exclusive shared access to an indoor swimming pool, spa, hammam, sauna and a dedicated treatment room within the residence itself. The apartment is situated a ten-minute walk from the centre of the charming village of Lech, with the nearest lift just six minutes away on foot, placing the slopes within effortless reach. A private parking space is included, and the apartment is available on an accommodation-only, self-catered or bed and breakfast basis to suit the preferences of every discerning guest.
