## THE RESIDENCE

# Brunnenhof 10

Brunnenhof 10 is a beautifully appointed second-floor apartment within the fully renovated Brunnenhof residence, one of Lech's most distinguished addresses. Spanning 130 square metres, the apartment accommodates up to ten guests across four individually styled bedrooms, each finished with considered detail and quiet sophistication. The master bedroom and second double both benefit from en-suite bathrooms with separate showers, the second enjoying its own private access to the terrace, whilst the third double features an en-suite shower room, and a fourth bedroom offers a charming quad bunkroom with en-suite, perfectly suited to younger guests.

At the heart of the apartment, an open-plan living, dining and kitchen space sets the tone with its understated neutral palette, contemporary furnishings and warm alpine character. Double glass doors flood the room with natural light and open directly onto a balcony commanding breathtaking views across Lech, whilst the dining table, seating eight, provides an elegant setting for leisurely evenings in excellent company. The residence itself is home to fourteen apartments and offers guests shared access to an indoor swimming pool, spa, hammam, sauna and treatment room, completing a truly refined alpine retreat.

Positioned just a five-minute walk from the Schloskopf chairlift and ten minutes from Lech's village centre, with its celebrated boutiques and restaurants, Brunnenhof 10 is as well placed for the slopes as it is for the resort's glamorous social scene. One private parking space is included, and the apartment may be taken on an accommodation-only, self-catered or bed and breakfast basis, with a dedicated concierge service available daily throughout your stay.
