THE RESIDENCE

Brunnenhof 9

Occupying the second floor of the fully renovated Brunnenhof Residence in world-renowned Lech, Austria, this exquisitely appointed apartment of 98 square metres accommodates up to eight guests across three beautifully styled bedrooms. The master suite offers an en-suite bathroom with separate shower, a second double bedroom enjoys its own en-suite shower room, and a bespoke bunk room sleeps four across two purpose-built bunk beds with a generous en-suite shower room. Both double bedrooms open onto private terraces, and each room has been thoughtfully furnished with tasteful alpine-inspired décor of the highest order. Residents enjoy privileged shared access to the residence's indoor swimming pool, spa, hammam and sauna, completing an offering of rare refinement.

The open-plan kitchen, living and dining area forms the true heart of Brunnenhof 9, a space where elegance and warmth exist in effortless harmony. Calming grey tones are punctuated by considered purple accents, while a generous L-shaped sofa draws the eye towards a comforting electric fireplace, equally appreciated from the dining table that seats up to eight. Floor-to-ceiling windows flood the interior with winter light, and the meticulously curated décor speaks quietly but confidently of a deep affinity with the mountains. The well-equipped kitchen is perfectly suited to leisurely breakfasts before a full day on the slopes, as well as long, convivial evenings at home.

The apartment's position is as enviable as its interiors. A six-minute walk leads directly to the Schlosskopf chairlift, placing Lech's world-class skiing within effortless reach, while the resort's celebrated centre, with its distinguished restaurants and sophisticated social scene, lies just ten minutes on foot. One private parking space is included, and the apartment may be reserved on an accommodation-only, self-catered or bed-and-breakfast basis, each supported by a dedicated concierge service to ensure every detail of the stay is flawlessly arranged.
