◆ Family-friendly chalets

## THE RESIDENCE

# Brunnenhof 8

Occupying the second floor of the entirely renovated Brunnenhof Residence, Apartment 8 is a beautifully considered retreat set within one of the Alps' most celebrated villages. Spanning ninety-four square metres across a single, harmoniously arranged floor, the apartment accommodates four adults and one child across two generously proportioned bedrooms, each dressed in luxury linens and composed in soft, tranquil tones that invite complete rest. Floor-to-ceiling windows draw the mountain panorama inward, filling every corner with natural light, while the master bedroom opens through French doors onto an oversized private terrace, its walk-in wardrobe and en-suite bathroom with separate shower lending a quietly indulgent sense of space. A children's niche bed in the hallway provides a charming and practical addition for families.

The open-plan living, dining and kitchen area forms the warm heart of the apartment, anchored by a wood-burning fireplace and framed by breath-taking Alpine views. The dining table seats ten guests with ease, flowing naturally into a fully equipped kitchen ideal for convivial evenings in, while the generous seating arrangement of sofas and chairs accommodates six for relaxed après-ski gatherings. A terrace offers a further setting for a quiet drink as dusk settles over the peaks. The Schlosskopf chairlift is a six-minute walk from the door, and the village centre a ten-minute stroll, placing Lech's celebrated skiing and renowned dining firmly within reach. One private parking space completes the practical comforts.

Residents of Brunnenhof 8 enjoy exclusive access to the residence's exceptional spa facilities, encompassing an indoor swimming pool, hammam, sauna and treatment room, providing the most restorative conclusion to days spent on the slopes. The apartment may be taken on an accommodation-only, self-catered or bed and breakfast basis, with prices ranging from EUR 4,390 to EUR 22,440 and a security deposit of EUR 2,000 applicable. Lech itself, a village of enduring charm and timeless sophistication, ensures that every stay here transcends the ordinary.
