THE RESIDENCE

Brunnenhof 7

Positioned within the beautifully renovated five-storey Brunnenhof Residence, close to the heart of Lech, this exquisite second-floor apartment extends across 96 square metres of thoughtfully conceived living space, accommodating four guests across two impeccably appointed double bedrooms, each with its own en-suite facilities. The master bedroom offers a full bathroom with separate shower, whilst the second bedroom features a refined en-suite shower room. Residents enjoy privileged access to the building's outstanding shared amenities, encompassing an indoor swimming pool, spa, hammam, sauna and a dedicated treatment room, providing every means to restore and revitalise after a day on the mountain.

The principal living area is a masterclass in contemporary Alpine interior design, where floor-to-ceiling windows draw in generous winter light and frame the surrounding scenery in spectacular fashion. A generous L-shaped settee and ottomans in warm tones and rich fabrics, accented with evocative vintage skiing imagery, create an atmosphere that is at once welcoming and distinctly stylish. The sleek dining table seats six with ease, whilst the well-equipped kitchen overlooks the dining space, fostering a naturally convivial setting for cooking and entertaining.

Brunnenhof 7 occupies a supremely convenient position, a six-minute walk from the Schlosskopf chairlift and a ten-minute stroll from the village centre, placing the world-class, snow-sure skiing of Lech within effortless reach. A private parking space is included, and the apartment may be taken on an accommodation-only, self-catered or bed and breakfast basis, ensuring a wholly personalised Alpine experience.
