THE RESIDENCE

Brunnenhof 6

Occupying the first floor of the entirely renovated Brunnenhof Residence, Apartment 6 is a beautifully appointed four-bedroom retreat in the very centre of Lech, one of the Alpine world's most celebrated and sophisticated resorts. Extending to 130 square metres and welcoming up to eight guests, the apartment has been finished to an exacting standard, with sumptuous warm textiles and raw alpine timbers combining to create an interior that is at once deeply comfortable and quietly elegant. Two fixed double bedrooms and two twin or double bedrooms each benefit from en-suite facilities, while the principal master suite commands floor-to-ceiling French doors opening onto a generous terrace with sweeping panoramic views of the Lech mountains.

The open-plan kitchen, dining and living area forms the true heart of the apartment, a warm and convivial space arranged around a large L-shaped sofa and refined seating, with views extending across the village and the peaks beyond. The well-appointed kitchen provides everything required for self-catered evenings in, while the living area offers an equally inviting setting for pre-dinner drinks and unhurried conversation. A dedicated parking space is included, and the Schlosskopfbahn chairlift lies just a six-minute walk from the door, making the apartment an ideal choice for families and groups of friends alike.

Residents of Brunnenhof 6 enjoy privileged access to the residence's exceptional shared facilities, including a stunning indoor swimming pool, a hammam and a sauna, ensuring that the pleasures of the mountain extend well beyond the piste. The apartment is available on a self-catered or bed and breakfast basis, with a dedicated concierge service on hand daily to attend to every detail of the stay, from lift pass arrangements and restaurant reservations to ski instruction and a comprehensive array of additional bespoke services.
