THE RESIDENCE

Brunnenhof 4

Brunnenhof 4 is a beautifully appointed first-floor apartment set within a completely renovated five-storey residence in the world-renowned village of Lech, Austria. Spanning 97 square metres across a single elegant floor, the apartment accommodates four adults and four children across three thoughtfully designed bedrooms, making it an exceptional choice for discerning families seeking both comfort and sophistication. The Schlosskopf chairlift is a mere six-minute walk away, while the charming heart of the village lies within a ten-minute stroll, placing the very best of Lech's timeless character and sublime skiing effortlessly within reach.

The open-plan living, dining and kitchen space has been conceived for convivial evenings and relaxed alpine afternoons alike. A generous dining table seats eight guests with ease, complemented by banquette seating along two sides, while a large corner sofa and a warming electric fire lend the room an air of welcoming intimacy. Muted tones and rich textures set the backdrop for a tasteful collection of historic skiing photographs that celebrate the storied heritage of the Arlberg, imbuing the space with genuine character. The modern kitchen, finished in deep greys, is fully equipped for memorable evenings dining in.

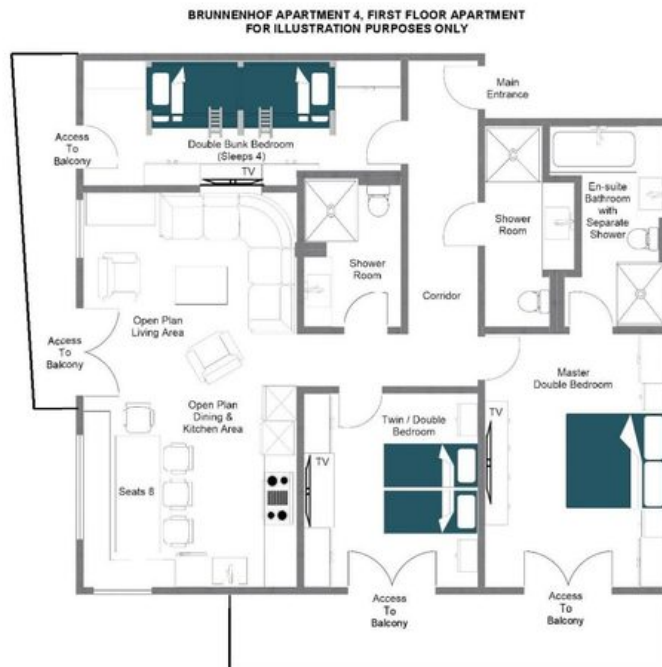

The master bedroom enjoys an en-suite bathroom and paned sliding doors opening onto a private balcony with fantastic views and an abundance of natural light. A further twin or double bedroom and a cosy quad bunk room for children, each served by their own separate shower room across the hallway, ensure every guest is comfortably accommodated, with mounted televisions in all rooms. Residents of Brunnenhof 4 also benefit from exclusive shared access to an indoor swimming pool, spa, hammam, sauna and treatment room within the residence, whilst one dedicated parking space completes this outstanding alpine retreat. The apartment is available on an accommodation only, self-catered or bed and breakfast basis.
