THE RESIDENCE

Brunnenhof 13

Occupying the third floor of the fully renovated Brunnenhof Residence in the world-renowned village of Lech, this exquisite four-bedroom apartment extends across 133 square metres of impeccably considered living space. Alpine-inspired timber panelling and sumptuous soft furnishings are woven together with quiet confidence, while floor-to-ceiling windows frame uninterrupted mountain panoramas that flood the interior with natural light throughout the day. The open-plan living, dining and kitchen arrangement is perfectly conceived for convivial gatherings, anchored by a central wood-burning fireplace that divides a generous L-shaped sitting area from a dining table that seats eight with effortless grace. A well-stocked bar invites leisurely après-ski moments, and a private terrace provides an enchanting prelude to an evening in one of Lech's celebrated restaurants.

The master bedroom is a serene sanctuary complete with a large en-suite bathroom, a desk and a television, whilst a second double bedroom across the hall benefits from its own en-suite shower room. A third double bedroom and a quad bunk room share a family bathroom, making Brunnenhof 13 equally suited to intimate family retreats and gatherings of friends, with the apartment sleeping up to ten in total. Luxury linens, considered tonal palettes and meticulous attention to detail ensure that every corner of the residence rewards closer inspection.

Beyond the apartment itself, guests enjoy exclusive access to the Brunnenhof's state-of-the-art spa facilities, encompassing an indoor swimming pool, hammam, sauna and dedicated treatment room, offering the most restorative conclusion to a day on the slopes. The Schloskopf chairlift is a six-minute walk away, placing the celebrated ski terrain of Lech within effortless reach, whilst the heart of this charismatic, tradition-rich village is a gentle ten-minute stroll. One private parking space is included, and the apartment is available on a self-catered, bed and breakfast or accommodation-only basis.
