## THE RESIDENCE

## Brunnenhof Penthouse

Completed in 2021 as the crowning apartment of the Brunnenhof Residence, this magnificent penthouse occupies a single expansive floor of 214 square metres in the centre of Lech, accommodating up to ten guests across four beautifully appointed bedrooms. The open-plan living area commands immediate attention, its double-height ceilings and floor-to-ceiling windows flooding the space with winter light, while warm tones, atmospheric lighting and a wood-burning fireplace lend an air of intimate grandeur. The adjacent dining area, where a statement glass pendant illuminates a table for ten, flows seamlessly into a sleek, well-equipped kitchen with breakfast bar, and a separate television room provides a more private retreat for quiet evenings in.

The four bedrooms are finished to an impeccable standard throughout. The master suite offers a generous double room with en-suite shower room, while two further double bedrooms each feature enchanting skylight windows above the bed, one served by an en-suite shower room and the other by an en-suite bathroom with separate shower. A fourth double bedroom, complete with bunk bed and its own en-suite shower room, is perfectly suited to families wishing to keep younger children close. From the balcony, accessed through double glass doors, sweeping views across the surrounding mountains and valley complete an utterly compelling picture.

Residents of the Brunnenhof Penthouse enjoy privileged access to the residence's exceptional shared facilities, among them an indoor swimming pool, spa, hammam, sauna and treatment room, all housed within the same building. The Schlosskopf chairlift is a five-minute walk away, whilst Lech's celebrated village centre, with its stylish boutiques and renowned restaurants, lies just ten minutes on foot. A private parking space is included, and the apartment is available on an accommodation-only, self-catered or bed-and-breakfast basis, each accompanied by a dedicated concierge service to ensure every detail of a stay is met with effortless precision.
