THE RESIDENCE

Ivouette 011

Positioned just a two-minute stroll from Place Centrale and a three-minute walk from the Médran lift station, yet peacefully removed from the resort's busier thoroughfares, Ivouette 011 is a generously proportioned Verbier apartment spanning 120 square metres and accommodating up to six guests plus one. Warm timber panelling in the entrance hall immediately sets an alpine tone, drawing the eye through to an open-plan living, dining and kitchen area where a striking stone and aged-wood fireplace, glazed on three sides, forms the natural heart of the home. Generous L-shaped and two-seater sofas face outward towards large double French doors that frame the private patio and invite winter sunlight deep into the space, while the dining table seats six with ease, the well-appointed kitchen offers ample storage alongside a dedicated wine fridge, and a Bose speaker with wall-mounted flat screen and Apple TV ensure effortless evenings in.

Three en-suite double bedrooms provide considered comfort throughout. The master suite, bathed in afternoon light through its own French doors to the patio, features built-in wardrobes on both sides of the bed and a luxurious en-suite with jacuzzi bath, separate shower, his-and-hers sinks and heated towel rails. The second double bedroom offers a serene, spot-lit atmosphere with its own en-suite shower room, while the third double, which also incorporates a single bunk, sleeps either two adults and a child or three children and is served by a full en-suite bathroom. A concealed laundry room sits conveniently off the main living area, and the private patio provides generous outdoor seating alongside a shared lawn.

For the slopes, the building's shared ski room is equipped with boot warmers and a clothes dryer, complemented by a spacious private locker dedicated exclusively to the property for secure ski storage. Two indoor parking spaces complete the practical offering, ensuring that every departure to the mountain is as smooth and unhurried as the return.
