## THE RESIDENCE

# Apartment Madelia

Occupying the entire top floor of a recently renovated building on a peaceful residential street, Apartment Madelia places eight guests mere moments from the Médran lift station and Place Centrale, yet delivers the tranquillity of a private retreat. Spanning 250 square metres, the apartment marries contemporary design with warmly curated art, stylish furnishings and considered alpine touches, creating an atmosphere that is at once sophisticated and genuinely welcoming.

The generous open living and dining area draws the eye immediately to an aged stone fireplace framed by sleek sofas and accent chairs, while a solid wood dining table for eight sits beneath carefully chosen lighting that lends every evening a convivial warmth. Floor-to-ceiling glass doors dissolve the boundary between interior and exterior, opening onto a long balcony landscaped with greenery and oriented to capture the full drama of the surrounding mountain panorama. The adjacent semi-open kitchen is appointed with white marble surfaces and high-end Miele appliances, a two-seater breakfast bar providing an intimate counterpoint to the grander dining space, and a guest cloakroom near the entrance completes the social floor.

Four en-suite double bedrooms each offer a bright, modern character with spacious wardrobes and carefully chosen furnishings. The master bedroom is served by a dual-sink en-suite featuring a generous shower-hammam, and shares balcony access with the living room and a second double bedroom, itself complete with its own shower room. A third bedroom enjoys a shower room crowned by a skylight, while the fourth includes a full bathroom alongside the apartment's private laundry facilities. An underground parking space, a lift serving all floors, and a dedicated ski locker in the shared ski room ensure that the transition from chalet comfort to mountain adventure remains entirely effortless.
