## THE RESIDENCE

# Cantarella

Cantarella is a beautifully finished duplex apartment set in a peaceful yet supremely convenient corner of Verbier, just a three-minute stroll from the village centre and within a ten-minute walk of the Médran lifts. Arranged across two floors and accommodating six adults and four children across four bedrooms, the residence strikes an effortless balance between spacious family living and intimate alpine warmth. Generous windows clad in pale, fine-quality timber draw long ribbons of winter light through the interior throughout the day, illuminating an open-plan kitchen, living and dining area anchored by a wood-burning fireplace, where a dining table seats ten with ease.

The living floor also offers a dedicated television room, from which one steps directly to an outdoor hot tub, the perfect setting for an après-ski soak beneath open mountain skies. The bright children's bunk bedroom, complete with its own en-suite shower room and a guest WC nearby, sits on this same level, as does a balcony for quiet morning coffees with mountain views as a backdrop. Descending to the sleeping floor, the master bedroom is decorated in restful neutral tones and opens directly onto the garden, where a freestanding sauna with an adjoining shower awaits. Two further double bedrooms, each spacious, bright and tastefully appointed, complete the sleeping accommodation, one with an en-suite bathroom and one with a separate shower room.

Practical comforts are thoughtfully provided: a private ski locker within the building's shared ski room, one designated indoor parking space, and both private and shared laundry facilities ensure seamless arrivals and departures. With Verbier's celebrated restaurants, boutiques and mountain lifts all within effortless reach, Cantarella presents a rare opportunity to experience the very best of this iconic resort from a residence of genuine refinement and character.
