THE RESIDENCE

Chalet Clambinet

Chalet Clambinet is a handsome, stand-alone chalet in the heart of Verbier, positioned just a six-minute walk from the Médran lift station and the Place Centrale, placing the resort's finest skiing and village life in effortless reach. Across three thoughtfully arranged floors and 269 square metres, the chalet accommodates up to eight guests across four double bedrooms, each dressed in warm alpine tones with flat-screen televisions, creating an atmosphere that is simultaneously refined and genuinely welcoming.

The ground floor invites complete restoration after days on the mountain, offering a sauna, a walk-in shower room and an outdoor hot tub, alongside two double bedrooms, one with a private en-suite bathroom and one served by a separate bathroom nearby. On the first floor, an open-plan living and dining room forms the social heart of the chalet, centred on a wood-burning fireplace embraced by a generous L-shaped velvet sofa, with a dining table seating twelve that looks out over a spacious garden. A fully equipped kitchen, a guest WC and a further double bedroom with en-suite shower room and terrace access complete this floor.

The top floor is crowned by a beautifully open master bedroom with a freestanding bathtub and a high window that floods the space with natural light while preserving absolute privacy, complemented by a separate shower room and a discreet study area for those who require it. Two bedrooms throughout the chalet enjoy private terrace access, and external parking for two vehicles, one beneath a covered carport, ensures every practical consideration has been addressed with the same quiet care as the interior.
