THE RESIDENCE

Basalte C13

Basalte C13 is a beautifully conceived alpine apartment set on the first floor of a sought-after Verbier residence, positioned just moments from the Médran lift station and a leisurely eight-minute stroll from Place Centrale. Spanning one hundred square metres, the apartment accommodates up to six guests across two bedrooms, and its south-facing orientation ensures an abundance of natural light throughout the day. Neutral tones and alpine-inspired interiors lend every room a warmth that feels both refined and genuinely welcoming.

At the heart of the apartment, an open-plan living, kitchen and dining area draws guests together in effortless style. An L-shaped sofa faces a striking stone wood-burning fireplace, while the dining table seats six with ease. The modern kitchen, complete with a countertop and bar stools, is equally suited to a quiet breakfast or a convivial evening in. A south-facing balcony extends the living space outdoors, offering breathtaking valley views that are especially magical on clear bluebird days. The master bedroom enjoys its own private balcony, an en-suite shower room and a television, while the quad bunk room, with its separate en-suite shower room and television, sleeps two adults or four children with equal comfort. A dedicated laundry cupboard with washer and dryer ensures every practical consideration has been attended to.

Offered on an accommodation-only or self-catered basis, the apartment is supported by a dedicated concierge available throughout the stay to arrange lift passes, restaurant reservations, ski instruction and a full suite of additional services tailored to each guest's wishes. Priced from CHF 7,020 to CHF 24,460 per week, with a security deposit of CHF 3,000, Basalte C13 represents a supremely well-located and elegantly appointed retreat for those seeking the very best of Verbier.
