THE RESIDENCE

Apartment Grignote

Apartment Grignote is a beautifully appointed 196-square-metre retreat in the heart of Verbier, accommodating up to six guests plus two, and offering an effortless harmony of contemporary design and authentic alpine character. The generous open-plan living, dining and kitchen area forms the soul of the apartment, where marble-style countertops, warm wooden accents and sleek dark finishes set an assured, sophisticated tone. A dining table seating seven commands sweeping views of the snow-draped peaks through expansive French doors, while the plush L-shaped sofa and wood-burning fireplace invite long, unhurried evenings after a day on the mountain. South-facing balconies, bathed in afternoon light, provide an idyllic setting for al fresco dining or quiet contemplation of the surrounding peaks.

The apartment unfolds across four thoughtfully configured bedrooms, each designed with comfort and privacy in mind. The ground-floor master bedroom opens directly onto the terrace, where mountain views and a decorative fireplace lend a sense of quiet grandeur, whilst an adjoining double bedroom shares the same terrace outlook. Both rooms are served by an elegant marble-clad shower room featuring a hammam shower. On the first floor, a further double bedroom with balcony access and a writing desk, alongside a charming bunk room, share a stylish shower room, with a dedicated storage area for skiwear and equipment offering a practical touch. A mezzanine-level television snug completes the picture, providing a cosy retreat for quiet evenings in.

Positioned just a six-minute walk from Place Centrale and three minutes by car from the Médran lift station, Apartment Grignote places the very best of Verbier within effortless reach. Guests may select from an accommodation-only or self-catered service, each supported by a dedicated concierge available throughout the stay, with the option to arrange private chefs, ski instruction, helicopter transfers and a wealth of further bespoke services upon request.
