THE RESIDENCE

Chalet Genepi

Chalet Genepi occupies a coveted position within the exclusive Domaine de Burgin, Belvedere area of Méribel, offering breathtaking south-facing views across the Méribel Valley and effortless proximity to the Georges Mauduit piste. Extending across three spacious floors and approximately 290 square metres, this beautifully appointed alpine retreat accommodates up to fourteen guests, making it an exceptional choice for families and private groups seeking both comfort and convenience in the Three Valleys.

The seven bedrooms are thoughtfully distributed across the chalet, each with its own en-suite facilities. Four generously proportioned rooms on the ground floor include one with a bath as well as a shower, while two open directly onto a large shared balcony. The second floor is crowned by a master bedroom complete with twin sinks, an en-suite shower room, a study area and its own balcony access, accompanied by two further twin and double rooms with en-suite bathrooms. A dedicated spa area on the ground floor, featuring an outdoor hot tub and sauna, provides the perfect setting for evening relaxation after a day on the slopes.

The first floor draws the chalet to life with a luminous open living and dining area centred on a grand wood-burning fireplace, its plush sofas and snug seating inviting lingering afternoons over tea or convivial evenings by the fire. French doors open the entire space onto a wrap-around balcony, ideal for morning coffee or stargazing at dusk, while a large oak dining table seating twelve and a second fireplace bring warmth and elegance to every meal. A well-equipped kitchen, a ski room with boot dryers and private parking complete the facilities, ensuring that every practical consideration is met with the same quiet refinement that defines the chalet throughout.
