THE RESIDENCE

Furi

Furi is an exquisitely appointed ground-floor residence set within Chalet Shalimar in the tranquil Winkelmatten neighbourhood of Zermatt, a serene quarter of the Swiss Alps just a fifteen-minute walk or a short electric taxi ride from the village centre. Spanning 190 square metres, the apartment welcomes up to four guests across two beautifully furnished twin or double bedrooms, each with its own en-suite bathroom and separate shower, while the generous open-plan living, dining and kitchen area is bathed in natural light through floor-to-ceiling sliding doors that open directly onto a sunny garden and terrace, where the iconic silhouette of the Matterhorn provides a breathtaking and ever-present backdrop.

The interiors are thoughtfully designed to balance comfort with understated Alpine elegance, and the ski and boot room, complete with heated boot warmers, ensures that every return from the mountain is a seamless and thoroughly civilised affair. Those seeking restoration after exploring Zermatt's remarkable 400 kilometres of hiking trails may retreat to the shared spa facilities on the lower ground floor, which encompass an indoor swimming pool, sauna, hammam and a dedicated massage room, offering a genuinely restorative dimension to the mountain experience.

For families or larger parties, Furi connects directly to the adjoining apartment Schwarzee via an interconnecting door, forming a combined residence that accommodates eight guests across four bedrooms in total. This flexibility, combined with the property's privileged position amidst verdant mountain scenery, makes Furi an exceptional choice for those seeking a refined and deeply tranquil retreat in the heart of the Swiss Alps.
