THE RESIDENCE

Manej Apartment 4

Positioned in the prestigious heart of Courchevel 1850, Apartment Manej 4 is a beautifully finished second-floor residence accommodating up to six guests across 113 square metres of refined alpine living. A single minute's walk separates the apartment from the iconic Bellecôte piste, allowing guests to ski directly home at the close of each mountain day, whilst the village centre lies a leisurely ten-minute stroll away. The setting is one of effortless convenience, framed by the breathtaking scenery of the French Alps at their most spectacular.

Within, a generously proportioned open-plan kitchen, living and dining area sets the tone for the apartment's considered aesthetic. Walls clad in aged timber contrast warmly with lighter wood floors, creating an atmosphere that balances classic alpine character with polished contemporary design. Plush velvet sofas invite unhurried relaxation, whilst expansive French sliding doors open onto a generous balcony commanding unobstructed mountain views. The sleek kitchen with its dark cabinetry and a dining area seating up to eight complete a space designed as much for sociable gatherings as for quiet, restorative evenings.

Three en-suite double bedrooms each reflect the same warm alpine sensibility, every one equipped with a television for private entertainment. The first bedroom opens onto its own private balcony with sweeping mountain views and benefits from an en-suite shower room, the second offers an en-suite bathroom, and the third an en-suite shower room. Available on an accommodation-only or self-catered basis, the apartment is supported by a dedicated concierge service attending to every detail, from lift passes and ski equipment delivery to restaurant reservations and bespoke additional arrangements.
