## THE RESIDENCE

## Fleur de Lin 204

Positioned on the second floor of a prestigious residence in the very centre of Verbier, Fleur de Lin 204 is a 186-square-metre apartment of refined contemporary character, sleeping eight guests in four beautifully appointed bedrooms. A mere two-minute walk from the Médran lift station and five minutes from the Place Centrale, the apartment offers an enviable combination of convenience and elevated alpine living, with south-facing aspects that draw the eye across sweeping mountain panoramas at every turn.

The generous open-plan living, kitchen and dining area forms the natural heart of the apartment, where two plush blue velvet sofas and a pair of armchairs are arranged around a wood-burning fireplace, creating an atmosphere of warmth and understated sophistication. Large windows invite an abundance of natural light, while the sleek modern kitchen, appointed with a bar of natural Brazilian stone and high seating, provides an elegant setting for informal entertaining. The statement wooden dining table seats eight comfortably, and sliding doors open onto a large wrap-around balcony furnished for al fresco dining, with uninterrupted views across the surrounding peaks.

Each of the four bedrooms has been conceived with clean, modern aesthetics and individual character. The master twin or double bedroom enjoys an en-suite shower room and access to a shared balcony with mountain views, as does a second double bedroom with its own en-suite shower room. A further double bedroom is served by a private shower room complete with a Japanese toilet, while the fourth twin or double bedroom benefits from an en-suite bathroom. Two indoor car parking spaces within the building complete this impeccably located mountain retreat.
