THE RESIDENCE

Chalet Caribou

Nestled within the tranquil Raffort hamlet of Méribel, Chalet Caribou is an elegantly conceived alpine retreat set just a few minutes' walk from the Olympic gondola. Spanning three floors and extending to 210 square metres, this newly built chalet accommodates ten guests across five beautifully appointed en-suite bedrooms, each finished with marble and stone detailing, gold fixtures and balcony access to breathtaking mountain panoramas. Contemporary design is woven throughout with warmth and intention, timber and stone lending an authentically alpine character to every space.

The principal living floor is a masterclass in mountain living, where an open-plan kitchen, dining and drawing room unfolds beneath floor-to-ceiling windows and opens onto two expansive terraces, one of which hosts an outdoor dining table for al fresco meals in the mountain air. The kitchen is centred upon a generous island with bar seating, leather stools and washed green cabinetry, while the dining table, seating all ten guests, is warmed by the glow of a wood-burning fireplace. The master suite occupies its own serene elevation on the top floor, complete with a private balcony, and an exceptional en-suite featuring twin sinks, a deep soaking bath and a marble-tiled hammam.

At ground level, every practical consideration has been elegantly addressed: a dedicated ski room with boot warmers, a private laundry room and a sauna ensure seamless transitions between the slopes and the comfort of the chalet. Covered parking for two cars completes the offering. With its sophisticated finishes, commanding mountain views and a location within effortless reach of the Three Valleys ski area, Chalet Caribou presents an outstanding base for a truly memorable stay in Méribel.
