THE RESIDENCE

Apartment Corbettaz

Apartment Corbettaz occupies the second floor of a residence on Rue de Ransou in Verbier, placing guests just a three-minute walk from the Médran lift station and around six minutes on foot from the lively Place Centrale. With three bedrooms, three shower rooms and an additional WC, it offers six guests a comfortable and well-balanced home for a winter week in one of the most celebrated resorts of the Swiss Alps.

The heart of the apartment is an open-plan kitchen, dining and living area, where a dining table for eight and generous seating invite relaxed evenings after a day on the slopes. A south-facing balcony draws in the sun and offers a pleasant spot to take in the mountain air. Two double bedrooms each enjoy an en-suite shower room and a television, while a bunk bedroom sleeping two has its own separate shower room and television, making the layout well suited to families.

Practical comforts complete the picture: private laundry facilities, a shared ski room in the building, an indoor parking space, wifi, and a cot and high chair on request. The Savoleyres area is a four-minute drive away. Apartment Corbettaz is available on an accommodation-only or self-catered basis, with concierge support before and throughout your stay.
