THE RESIDENCE

Chalet Lashca

Chalet Lashca occupies a privileged position in the tranquil hamlet of Le Fornet, a mere three-minute walk from the gondola station and a short five-minute drive from the heart of Val d'Isère. This beautifully appointed five-bedroom chalet, spanning three generous floors and approximately 600 square metres, offers effortless access to some of the finest off-piste skiing in the resort, whilst remaining a calm and peaceful retreat well removed from the bustle of the town centre. Authentically clad in warm timber throughout, the chalet accommodates up to eight guests plus four, welcoming families and discerning groups alike.

The facilities at Chalet Lashca are genuinely exceptional. A dedicated spa and pool level houses a large indoor swimming pool framed by windows that draw in sweeping mountain panoramas, complemented by lounge chairs, a sauna and a hammam. A games room with projector and pool table, together with a heated boot room on the same floor, ensures every practical comfort is met with quiet elegance. The principal sleeping floor presents a supremely generous primary suite complete with a freestanding bath, walk-in shower, dressing room and a private balcony commanding stunning views, alongside three individually themed double bedrooms, each with en-suite facilities and shared balcony access overlooking the Fornet ski area, and a charming bunk room ideal for younger guests.

The uppermost floor reveals a magnificent open-plan living and dining space, its floor-to-ceiling windows flooding the interior with light and framing breathtaking Alpine vistas. A dining table for eight sits adjacent to a fully equipped kitchen, whilst plush sofas arranged around an open fireplace invite long, convivial evenings after a day on the mountain. A separate television snug provides a private haven for children, and a generous sun-drenched balcony completes this level, offering the perfect vantage point from which to savour the glorious mountain sunshine. Chalet Lashca is available across a range of service levels, from self-catered to fully catered, ensuring a bespoke and seamlessly luxurious Alpine experience.
