THE RESIDENCE

Apartment Bisous Bisous

Nestled in the very heart of Verbier, Apartment Bisous Bisous is a beautifully appointed three-bedroom residence spanning one hundred square metres, offering six guests an exceptional combination of stylish contemporary design, cosy Alpine charm, and an enviable position moments from the resort centre and main lift station. Floor-to-ceiling windows flood the open-plan kitchen, living and dining area with natural light, framing sweeping views across the mountains and valley below, whilst a sleek bar area, elegant marble finishes and a fully equipped kitchen with central island set the scene for effortless entertaining. The dining table seats eight with inviting booth-style seating on one side, and the plush living area, complete with a fireplace, invites guests to unwind in unhurried comfort after a day on the slopes.

Three carefully considered bedrooms accommodate six guests with equal measures of comfort and refinement. The first is a double bedroom served by a separate shower room with walk-in shower and beautiful marble detailing beneath impressive high ceilings. The second, a larger double, benefits from its own en suite bathroom featuring a freestanding bath, walk-in shower and a skylight that bathes the space in natural light. The third double bedroom offers ample storage and mountain views, with access to a communal bathroom shared with guests of that room. A private balcony leading from the main living space seats two and looks out towards the Savoleyres ski area and surrounding peaks, providing an idyllic vantage point for morning coffee or Verbier's celebrated evening sunsets.

Apartment Bisous Bisous places everything that makes Verbier so captivating within easy reach, whether that be world-class skiing, mountain hiking or the resort's lively atmosphere. Available on an accommodation-only or self-catered basis, the apartment is supported by a dedicated concierge service, premium linens, robes, slippers and fine bathroom amenities, with a thoughtful range of additional personalised services available upon request to ensure every stay is seamlessly tailored to individual requirements.
