THE RESIDENCE

Apartment Serene

Apartment Serene is a beautifully appointed five-bedroom residence spanning 173 square metres across a single, generously proportioned floor in the very heart of Méribel centre. Thoughtfully designed for both conviviality and quiet retreat, the apartment accommodates up to eight guests plus four, and presents a harmonious marriage of traditional alpine character, expressed through warm wood cladding throughout, and refined contemporary interiors. At the heart of the home, an open-plan living, dining and kitchen area serves as the natural gathering place, where floor-to-ceiling French doors flood the space with natural light and frame views of the surrounding greenery. A contemporary gas fireplace lends warmth and atmosphere to evening gatherings, while the fully equipped modern kitchen, complete with a central island, invites everything from leisurely family breakfasts to lavish celebratory feasts. The dining table seats nine, making shared meals a true occasion.

The five bedrooms are arranged across two wings, each offering its own sense of calm and comfort. A charming children's bunk room sleeps four younger guests, while four double bedrooms, including a generous primary suite with a dedicated bathroom featuring double sinks and a walk-in shower, provide elegant accommodation for adult guests. Several rooms open directly onto a shared balcony framed by greenery, affording pleasing views towards the Méribel ski area in the distance. A dedicated wellness and entertainment wing houses a sauna, a private cinema room, and a spacious shared shower room, ensuring that rest and restoration are always close at hand. The apartment is further complemented by two private parking spaces, each fitted with a car charger, situated within the building's car park.

Beyond the apartment itself, the outdoor Nordic bath on the balcony provides a supremely private setting for post-skiing relaxation, sheltered by greenery and open to the mountain air. Ideally positioned in the centre of Méribel, the property places the resort's shops and restaurants within minutes on foot, with the main lift station accessible within approximately ten minutes. Available on an accommodation-only or self-catered basis, Apartment Serene offers a rare combination of central convenience, generous space and genuine alpine character, making it an exceptional base from which to explore one of the finest ski resorts in the Alps.
