THE RESIDENCE

Chalet Nid d'Hiver

Newly conceived and immaculate in every detail, Chalet Nid d'Hiver occupies an enviable position at the heart of Courchevel 1550, just one minute on foot from the ski lifts, village boutiques and restaurants. Spanning 230 square metres across four thoughtfully arranged levels, this contemporary alpine retreat accommodates up to ten guests across five beautifully appointed en-suite bedrooms, each finished to a standard that honours both comfort and refined mountain aesthetics.

The uppermost living floor is the chalet's natural gathering place, where an expansive open-plan kitchen, dining and living area is anchored by a wood-burning fireplace, logs provided, and framed by floor-to-ceiling windows that open onto a terrace with panoramic mountain views. A Sonos sound system flows throughout, while a separate television snug offers a more intimate retreat. On the first floor, two double bedrooms each enjoy a private balcony and en-suite shower room, and the ground floor presents a further two double bedrooms and one twin or double room, each with en-suite facilities, alongside a dedicated ski room and guest WC for effortless daily departures to the piste.

On the lower ground floor, a private sauna awaits after a day on the mountain, completing a residence that balances energetic alpine pursuits with genuine restorative comfort. With the Grangettes ski lift and the Tovets slope moments away, and the convivial spirit of Courchevel 1550 village on the doorstep, Chalet Nid d'Hiver presents a rare opportunity to be among the very first guests to experience its timeless, newly crafted charm.
