THE RESIDENCE

Deux Rivières

Occupying the uppermost two floors of its prestigious residence, this remarkable six-bedroom penthouse of 320 square metres sits in one of Verbier's most coveted positions, quietly set back from the road in the very centre of the village, yet just a two-minute stroll from both the Place Centrale and the Médran lift station. Renovated with exceptional care, the apartment transcends its classification entirely, feeling in every sense like a private chalet, with soaring cathedral ceilings, exposed timber beams and sumptuous furnishings that invite immediate ease.

A private lift opens directly onto a generous, light-filled entrance hall, from which floor-to-ceiling windows draw the eye into the magnificent open-plan living and dining area. Here, deep sofas gather around an authentic stone fireplace, while broad windows give onto a spacious balcony commanding sweeping views of the Petit Combin. The well-appointed kitchen connects seamlessly to the dining space, and the principal master suite, a generous fifty square metres in its own right, features a free-standing roll-top bath as its centrepiece. Three further bedrooms on this upper floor, each with private or en-suite facilities, are joined by a television room with mezzanine sleeping space, a guest cloakroom and a private laundry room.

On the lower floor, three additional bedrooms accommodate family or friends with equal comfort, one with its own en-suite bathroom and two sharing a well-appointed shower room. A shared ski room with individual lockers and two dedicated internal parking spaces complete an offering that balances genuine Alpine character with the discreet conveniences befitting the most discerning of guests. Deux Rivières accommodates up to ten guests, plus two, and is available on a self-catered basis with daily housekeeping, a dedicated concierge and the full complement of personalised services.
