◆ Sauna

◆ Terrace

◆ Tv

◆ Wifi

◆ New to bramble ski

THE RESIDENCE

Chalet Clos d'Abeilles

Perched above Verbier in a peaceful, secluded setting, Chalet Clos d'Abeilles is a charming standalone residence for eight guests, reached by a picturesque footpath that follows a mountain stream before ascending to the front door. Despite its tranquil atmosphere, the chalet sits only a ten-minute walk from the village centre, placing the resort's restaurants, shops and ski lifts in easy reach, with the Medran lift station accessible in just a few minutes on foot. Two dedicated parking spaces, one indoor and one outdoor, are available on the main road below for those arriving by car, though the chalet's privileged position means a vehicle is rarely necessary.

The main living floor reveals an open-plan kitchen, dining and sitting room of genuine warmth and comfort, where an extendable dining table accommodates varying group sizes and large doors open onto a generous terrace commanding spectacular mountain panoramas. The primary bedroom on this level enjoys its own serene outlook, complemented by an elegant bathroom featuring a walk-in shower that doubles as a hammam. A fireplace adds a further note of alpine intimacy to the living spaces throughout.

On the lower floor, three well-appointed double bedrooms each offer ample storage and a calm, inviting atmosphere, with two enjoying direct terrace and garden access. A private outdoor hot tub on this level provides an exceptional setting in which to absorb the mountain scenery, while a dedicated sauna completes the wellness offering, ensuring guests may restore and recharge in complete seclusion after each day on the slopes. Two modern shower rooms and a separate laundry room with washing machine round out the practical comforts of this beautifully considered Verbier retreat.
