## THE RESIDENCE

# Victoria 111

Positioned in the very centre of Verbier within the prestigious Valentine and Victoria complex, Victoria 111 is a beautifully appointed modern apartment spanning 185 square metres across a single elegant floor. Welcoming up to ten guests across four bedrooms and four bathrooms, the apartment is reached effortlessly via a private lift connecting the underground garage to the entrance, setting a tone of seamless convenience from the very first moment. The open-plan living and dining area is anchored by a wood-burning fireplace and furnished with generous sofas and armchairs, while large French doors draw one naturally onto a spacious terrace dressed with fur-lined chairs, an ideal setting in which to savour a drink as the mountain light fades. A fully equipped contemporary kitchen opens directly into the living space, and a Bose sound system together with flat-screen televisions complete the refined domestic picture.

Three of the four bedrooms overlook the terrace and command inspiring views across the Savoleyres ski area, comprising a double bedroom with en-suite bathroom, a twin and double bedroom with en-suite shower room, and a further double bedroom served by a shared bathroom. The fourth bedroom, ideal for younger guests, offers quad bunk beds accommodating four and is served by a separate shower room. Shared access to an impressive suite of wellness and leisure facilities within the complex, including a large indoor pool, sauna, hammam, gymnasium and games room, ensures that every hour spent off the slopes is as restorative as the day on them.

Victoria 111 is offered on a self-catered basis, with rates from CHF 6,890 to CHF 57,550 per week and a security deposit of CHF 4,500. For those who wish to enhance their stay, catered and catered light service levels are also available, bringing daily housekeeping, concierge support, private chef and host services, and a wealth of personalised in-resort arrangements to this already exceptional alpine address.
